

A BUDDY BOOK • FREE PRINTABLE EDITION

Colouring & Activity Pages

Where imagination is free, stories—and colours—take shape.

These pages are a gift from John Mack and Heritage Forge Press. Print them for children to colour, trace, solve and enjoy at home, in the classroom, or at the library.

A book made to be kept

If your child enjoys these pages, Buddy's Colouring and Activity Book is also available as a professionally printed softcover. Each activity is printed on its own page, leaving the reverse side blank to help reduce bleed-through and keep the next picture clean. It makes a tidy, durable addition to any child's library—ready whenever imagination strikes.
